

# TAKS-Alt Update with TEA Staff

## (1/2 day A.M. Training for Teachers NEW to TAKS-Alt)

This session is designed for teachers who have never given TAKS-Alt and will cover the basics on how to choose an appropriate task, plan supports for student access, and how to document and evaluate student performance.

## (1/2 day P.M. Training for Returning TAKS-Alt Teachers)

This session is designed for teachers who have experience administering TAKS-Alt but would like to refine their knowledge of the differences between complexity levels. There will be a focus on proper interpretation of the verbs at each level, the allowable supports for each complexity level, the effect of cueing and prompting on student scores, and how to modify and use grade level texts.

**If you would like to receive this workshop via videoconference from your district, please have your District Technology Coordinator contact the Distance Learning Department ([dltech@esc2.net](mailto:dltech@esc2.net) or 361-561-8457) to request the videoconference.**
