

# Effective ARD Meetings for Administrators

**When:** February 19, 2019

**Time:** 1:00 am—4:00 pm

**Where :** Education Service Center,  
Region 2

**Cost :** \$25

**Workshop # :** 1408634

Preventing conflict and intervening early to solve differences is a goal of all professionals, especially in the content of Special Education. Individualized Education Program (IEP) training provides information to effectively conduct Admission Review and Dismissal meeting.

## Description

Effective administrators, counselors and assessment personnel create efficient and collaborative ARD committee meetings which lead to appropriate programming for students with disabilities.

This half day session will provide administrators with strategies and best practices for use during the ARD process. These best practices can increase meeting effectiveness and improve the experience for all ARD committee members. Effective ARD meeting facilitation also reduces potential disagreement with parents.

Manifestation Determination Review (MDR) will also be discussed.
