

IEP Compliance for Differentiated Monitoring System (DMS):

A Sequential Approach from the PLAAFP to the State Assessment

IEP content and IEP development, two of seven prioritized areas, are targeted for compliance review by TEA under the Differentiated Monitoring System, (DMS) and ASCEND, the Self-Assessment submission platform.

Join us for this virtual workshop to:

- gain or enhance your understanding of compliance and your role for these two categories.
- understand how to maintain this continuity and establish compliance from the FIE to the PLAAFP throughout the goals and objectives and end with the state assessment.
