

New and Improved

This free online course has been revised and new content added.

Registration begins March 18, 2019

You Need to Know...

Once registered, all 7 modules will appear in your Registration History. The modules must be taken in order. As soon as one module is completed the next module in the series will be unlocked. After all 7 modules have been completed, a certificate of completion (3 CEUs) will be available for download.

The content is organized into 7 Modules for easier viewing.

Module 1 – Introduction, Examining Content Standards and Student data

Module 2 – Developing the PLAAFP

Module 3 – Developing Measurable Annual Goals

Module 4 – Developing Short-Term Objectives

Module 5 – Assessing and Reporting Progress of IEP Goals

Module 6 – Developing Specially Designed Instruction

Module 7 – Course Summary and Additional Resources
