

# Understanding the ELAR TEKS

## Taking a First Look at the New ELAR TEKS

Participants will study the strands and dig into the new ELAR TEKS to be implemented in the 2019-2020 school year.

These workshops are introductions to the newly revised ELAR TEKS. Participants will look at the organization of the strands and the grouping of the knowledge and skills statements and student expectations. Participants will be able to focus on the grade level they teach through collaborative activities to get a deeper look at the TEKS. The implications for instruction will also be discussed.
