A NEW WEBINAR SERIES  
FOR SPECIAL EDUCATION ADMINISTRATORS

**The Spotlight Series for Special Education Administrators**  
*is back by popular demand for the 2021-22 school year!*

This series, designed exclusively for special education administrators and supervisors, features renowned special education experts and thought leaders who will address the most important challenges you face in today's environment.

The nationally recognized speakers will provide real-world guidance based on research, best-practices, and compliance to help you navigate the unique circumstances of the 21-22 school year.

You'll walk away from each session with fresh ideas, key concepts, and practical takeaways that you implement with your educators and providers to help every student succeed.

## Who should attend?

- Directors of Special Education/  
Special Services
- Supervisors of Special Education/  
Special Services

## What is the cost?

**It's free!** The series is sponsored by Goalbook as part of our commitment to support the special education community.
