Translation & Interpretation Services Stipends Available- The Texas Council for Developmental Disabilities (TCDD) has funds available to support translation and interpretation services to reduce linguistic barriers to access services and supports in Texas. These stipends may be useful for organizations that serve communities that have been impacted by Hurricane Harvey.

AAC

- The United States Society for AAC (USSAAC) has created a recovery fund to replace AAC Systems that were lost due to Harvey. Please forward to possible donors and recipients
<https://harveyaac.recovers.org/>
- Tobii Dynavox sent me a box of low tech boards I can distribute if needed and they have made a cloud/web based version available as well. If you have students that might benefit from this- please contact me and I will forward the information.
- Another resource for downloadable disaster recovery boards Downloadable Communication Boards <http://disabilities.temple.edu/aacvocabulary/e4all.shtml#index>
- Show Me Tool communication system- from Massachusetts disaster downloadable .pdf and in Google and Apple app formats www.mass.gov/dph/showme
