

# 2017-18 Region-Based Needs Assessment for Parent Involvement in Special Education

Dear Participant,

In an effort to better support you and your campus(es) with parent involvement of students in special education, Texas Education Agency has charged ESCs with gathering data to customize that effort. Please take about 5 minutes to answer the following questions.

What information/training do you/your team need to better facilitate parent involvement in special education?

What information/training do you/your team currently provide to parents of students receiving special education services to encourage parent involvement and facilitate greater success?

What information/training do parents of students in special education need in order to more effectively participate in the special education process?
